

Free COVID Testing for Your Child

Program Overview

Our school is starting a free COVID-19 testing program for students to help us safely reopen and stay open. This program is funded through the US Department of Health and Human Services (HHS).

Getting Started

- 1 Invitation to Register:** You will receive an email invitation to register from support@testedandprotected.org. Please check your spam folder.
- 2 Setting Up Your Account:**
 - Click on the link in your email to set up your account or navigate to testedandprotected.org and click login at the top right of the page.
 - Click Sign up now, below the Sign In button to set up your Microsoft 365 account for multi-factor authentication (MFA).
 - Enter your email address and invitation code from email.
 - Create your own password.
- 3 Two-Factor Authentication:** Enter your Phone Number. Click either Send Code or Call Me.
 - **Send Code:** The service will text you a verification code. Enter the code online to complete verification. Click Send another code if needed.
 - **Call Me:** The service will call your number. Answer the call and push the # key to complete verification.
- 4 You're In:** You will be directed to the Midwest Coordination Center homepage. Navigate to the Resources tab to view Parent/Guardian User Guide. To Login again, navigate to testedandprotected.org and select Login at the top right.
